September 2010

Dear Friends of Bethany Baptist Church,

Day after day I thank my Lord for your lives, for your prayer, for your contributions, for your perseverance that have helped us go forward. I want to thank you for the pretty birthday and wedding anniversary cards sent to me and my husband, Cezar. You are a blessing from God in our lives and ministry. Thanks!!

In the first semester of the school year 2010, I taught the Word of God in four schools and now in this semester I continue in those same schools. The classes range from day care to the 5th grade (from 1 year old to about 13 years old). I taught 37 classes each week with a total of 920 students being reached with the teaching of the Word of God. Many of the school room teachers stay in the room and hear the lesson too.

Just recently, I assumed two more new classes in the school where I have taught for more than 15 years. In one class were students who did not know me at all and had never had a Bible lesson about Jesus. I was impressed. There are 32 students in these two new classes. They all listened attentively to the Bible lesson and understood the plan of salvation, and they all accepted Christ as their personal Savior. When I finished the time of counsel with them, I was thrilled to see how the Holy Sprit worked in their lives. It was beautiful.

I ask you to pray for each one of these students. I claim Phil. 1:6 "I am confident of this very thing, that He who began a good work will perfect it until the day of Christ Jesus".

To teach the Word to the little tiny tots in a day care has been a great blessing to me. I am sending to Geraldo and Luiza Wood some pictures of these little ones so you can see them and rejoice in the Lord in the great things He is doing, and we are cooperating with Him.

Beloved friends, it is because of each one of you that God has sustained us in His harvest field. Many Thanks!
